

## NEW PATIENT REFERRAL FORM

Please fully complete this form in order for us to serve you and the patient efficiently. Once you have completed this form and obtained the necessary medical records, please fax or email using the above provided contact information. Appointment scheduling is determined by the severity of illness and is scheduled directly with the patient. Once we have secured an appointment with the patient you will receive notification of the date and time of the appointment. If we are unable to reach the patient by the third phone call; we will notify your office so that follow up can occur with the patient. We thank you for your referral and we appreciate the opportunity to serve you and the patient.
